

Tanya Fox — CEO

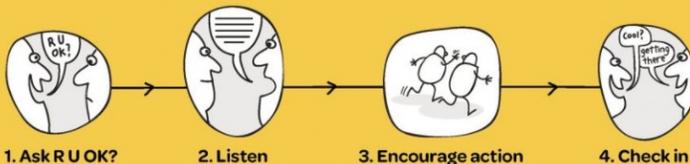

This year's R U OK? Day has more significance than ever, and as we continue our journey through the COVID-19 pandemic it's important to remember to be kind to ourselves and those around us. The R U OK? website has lots of resources as well as links to other sites where you can find help if you or someone you know needs some extra support.

Also, don't forget that you can utilise our Employee Assistance Program by calling 0407086000, <https://eapassist.com.au/> Take care. *Tanya*

Joe Holahan—General Manager Quality & Projects **Welcome Laini**

Laini *(pictured right)* has joined the BA Team in the new role of Marketing and Communications Coordinator. "Born and raised in Moree, I started a journalism cadetship with the local newspaper after completing my schooling. I've always had a passion for sharing stories detailing the lives of everyday people around the district. It really amazes me to hear some of the things people have overcome and what they identify being "the most important things in life".

Around two years ago I made the move to Inverell for the role of senior journalist. In March this year, my partner Jackson and I purchased our first house in Inverell and together, with our five German Shepherds, we've made the house our home. Yes, we are huge dog people 😊 I'm so excited to start this new adventure with Brighter Access

and look forward to meeting everyone. Keeping my passion in mind I definitely want to highlight the daily achievements, milestones, profile stories and good news happening throughout the service.

Please feel free to drop me an email, say hi and share any suggestions. "
