

## Tanya Fox — CEO

From this Friday 7th August, we will be making face masks available for staff who may choose to wear one during work hours, however at this stage it is optional. We strongly recommend that any visitors to our sites wear a face mask.

We advise everyone to keep up to date on the NSW Health Latest COVID-19 News and Updates <https://www.nsw.gov.au/covid-19/latest-news-and-updates>. This provides details of COVID-19 case locations in NSW and their levels of action - self-isolate and get tested immediately, monitor for symptoms, or increased testing and surveillance. It is vital that we remain vigilant and informed. Stay safe.

*Tanya*

## Lisa Fulton—General Manager Operations

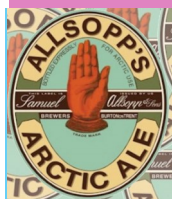

**Meet April** — April has joined the Brighter Access team this week and will be working closely with the management team to implement some exciting projects. With over 25 years of experience in the Community Services sector in leadership and management roles, April has a passion for people and their communities. April says “I have a strong social justice mindset. I am committed to support people to get the most out of their lives. I am known for creating organisational culture and helping the team achieve great outcomes.”

## Joe Holahan—General Manager Quality & Projects

Just to lighten the mood a little, Friday 7<sup>th</sup> August is International Beer Day. Fun beer fact: the most expensive beer is Allsop's Arctic Ale which retails for \$503,300.

## Brad Hilton—General Manager Corporate Services

## Meet your IT Team

Our reliance on Information Technology continues to grow. This is not only due to the growth of our organisation, but also the continued advances in the business world. Two key points to remember: 1. There is no such thing as a stupid question 2. Please try turning it off and on again before you call.

Hi, I'm Michael. Born in Sydney and raised in Inverell, I started with Brighter Access in April 2019. The growth of the company since I commenced has been substantial. I genuinely love what I do and enjoy talking to you all and helping with whatever IT issues or questions you may have. In my spare time, I enjoy going to the gym, running, attempting the odd renovation, travelling, enjoying a glass of “grape juice” while kicking back and binge watching a show on Netflix.

Hi, I'm Brett. I was born and raised in Inverell. I did my apprenticeship as a marine technician but changed industry to work in agriculture. I started with Brighter Access 4 months ago. I have always had a passion for computers and communications so when the opportunity surfaced to change roles to this field I was very eager. I get a thrill out of helping people and solving problems. In my spare time I like to run, race mountain bikes and “sample” perhaps a few too many beers.
