

## Tanya Fox — CEO

I would like to wish our entire Brighter Access team a safe and happy long weekend. Enjoy the break and if you're travelling anywhere, please drive carefully on the road.

To our staff who will be working this weekend, thank you for your dedication and commitment. Labour Day is an annual holiday to celebrate the achievements of workers, and here at Brighter Access we have a lot to celebrate!

*Take care, Tanya.*

## Lisa Fulton—General Manager Operations

Alison Reading started employment in the Tamworth office on September 28 as Administration Assistant, replacing Lisa Cunningham who is transitioning to a new planning and assessment role.

Alison recently moved back to Tamworth for a 'tree change' after working in Clinical Research/Project Management in Sydney for more than 20 years.

She has a strong administration background and is excited to be joining the growing Tamworth team.

Outside of work, Alison enjoys the simple pleasures in life – family time, gardening and discovering new places.

Alison Reading

## Joe Holahan—General Manager Quality & Projects

Welcome to Nicole Trevithick who has started with Brighter Access as Quality Coordinator. Get to know a little more about Nicole below:

Nicole Trevithick

'I was born and raised in Inverell. I then moved to Adelaide after leaving school and returned back to Inverell to care for my mum. I met my husband here and we have two teenage boys.

My family is quite varied with interests and we can usually be found participating in minor league, motocross, basketball and all things cars. We are HUGE car enthusiasts- this is why my garden is so sad, no time to do it!

My employment background is varied with customer service, accounts assistant, roster clerk and employment services staff trainer. I'm looking forward to settling into this new role and getting to know the Brighter Access team, where I am sure I will get to speak with you all at some stage.'

## Brad Hilton—General Manager Corporate Services

The payroll department has been busy this week processing the pays for the last fortnight's pay period. Any staff member who believes that their fortnightly pay is incorrect, **MUST** discuss any concerns with their line manager. The line manager will then raise the matter with the payroll department – should it be required. Enjoy your long weekend and for those travelling away – **stay safe on the roads**.

Daylight savings is here:

Daylight saving time in New South Wales will begin at 2am on Sunday, October 4. Don't forget to set the time on your clock forward one hour!

**STAY SAFE ON THE**

**ROAD THESE HOLIDAYS**
